HOLE 1 - LONG LEG RIGHT

Par 4 - Stroke 3

One of the toughest opening holes in South Africa. A dog leg to the right over a fynbos edged dam. A good line is essential. Second shot is to a table top green surrounded by bunkers and a small dam to catch the loose shot to the right.

HOLE 4 - DAM HOLE

Par 4 - Stroke 7

Easier than it appears from the tee. A straight par 4 but the shot must be placed carefully, otherwise your ball will find one of the two dams on the right. The second shot must land on a long thin green, protected by water on the right and bunker on the left.

HOLE 6 - THE ONE

Par 4 - Stroke 1

A very long par 4 – Stroke 1 is on the card. It needs two big shots here to get on in regulation. Out of bounds guards the left hand side and a small strategically placed pond guards the right of the sloping green.

Par 5 - Stroke 9

A long par 5 with houses lining the right side of the fairway and a long penalty canal and bunker complex lining the left fairway side. The second shot favours the brave, as a strategically placed brook runs across the fairway to catch the mis-hit shot.

HOLE 8 - THE SIGNATURE

Par 3 - Stroke 11

This short hole is Erinvale's signature hole, with the beautiful Helderberg Mountain forming the backdrop. Not a difficult par 3 but easier said than done to make par as this is the lowest stroking par 3 on the course!

HOLE 9 - CROSS CREEK

Par 4 - Stroke 5

A long par 4 with pot bunkers catching a pulled tee shot. The second shot requires a long iron over a meandering brook, running down the left of the green and across the front of the 53 metre green. A good test of skill and bravery.

HOLE 13 - VINTAGE HOLE

Par 5 - Stroke 10

This dog leg par 5 is the most beautiful hole on Erinvale golf course. Stand on the tee and look backwards towards a breath taking view of False Bay.

The line of the tee shot has a world-beating vista of orchards, forest and vineyards. When you reach your tee shot, a totally different view of the Helderberg Mountain is the line you must take into the green, set in the valley below. The green is guarded by two huge swails and a sleeperfaced bunker.

HOLE 14 - CARRY OVER

HOLE 17 - SAY A PRAYER

Par 4 - Stroke 2

A narrow downhill par 4, likely to ruin a good scorecard. Place the tee shot accurately between a row of large pine trees on the left, out of bounds on the right. After negotiating the tee shot, an accurate mid-iron has to be fired into a small green, guarded by three revetted pot bunkers.

HOLE 18 - POT LUCK

Par 4 - Stroke 12

A slight dog leg to the right. Not a difficult tee shot, but stay away from the pot bunkers on the right. Club selection is important for the second shot, as an over hit shot will end up in the stream behind the green. The 18th green is double tiered and the largest green on the course, offering multiple positions to hide the pin.
