

HOLE 13 - VINTAGE HOLE

Par 5 - Stroke 10

This dog leg par 5 is the most beautiful hole on Erinvale golf course. Stand on the tee and look backwards towards a breath taking view of False Bay.

The line of the tee shot has a world-beating vista of orchards, forest and vineyards. When you reach your tee shot, a totally different view of the Helderberg Mountain is the line you must take into the green, set in the valley below. The green is guarded by two huge swails and a sleeperfaced bunker.
